

HEY MATE AUSTRALIA SPECIAL

VETI SMART COMBO 1

COMBO INCLUDES: 1 x MTS10, 1 x MTS13

MTS10

Smart Plug with Energy Monitoring & Surge Protection

- App control via Major Tech Hub
- Countdown and scheduling timers
- Alexa and Google Assistant compatible
- NDIS Assistive Technology approved
- Wifi and Bluetooth
- 10A rated current
- Surge Protection

\$ 74.00

EX GST

WAS \$ 92.00

MTS13

Smart Garage Door / Gate Opener Module

- Timing schedules and run time settings
- Compact 46x46x18mm design
- Includes sensor, brackets and 4.5m cable
- Dual Wi-Fi and Bluetooth connectivity
- Open/close alerts and reminders
- Customisable sensor modes
- Alexa and Google Assistant compatible
- NDIS Assistive Technology approved

VETI SMART COMBO 2

COMBO INCLUDES: 1 x MTS16, 1 x MTS17

MTS16

Smart Switch Module with Energy Monitoring

- Works with one-way and two-way switches
- App control via Major Tech Hub
- Real-time energy monitoring
- Countdown and scheduling timers
- Compact behind-switch installation
- Overcharge and child lock protection
- Alexa and Google Assistant compatible
- NDIS Assistive Technology approved

\$ 45.00

EX GST

WAS \$ 56.00

MTS17

Smart Dimmer Module

- Compatible with bell press switches
- App-controlled smart dimming
- 1%-100% smooth dimming
- Advanced timer and scheduling functions
- Custom automation scenes
- Dual Wi-Fi and Bluetooth connectivity
- Alexa and Google Assistant compatible
- NDIS Assistive Technology approved

VETI SMART COMBO 3

COMBO INCLUDES: 1 x MTS13, 1 x MTS16, 1 x MTS17

MTS13

Smart Garage Door / Gate Opener Module

- Timing schedules and run time settings
- Compact 46x46x18mm design
- Includes sensor, brackets and 4.5m cable
- Dual Wi-Fi and Bluetooth connectivity
- Open/close alerts and reminders
- Customisable sensor modes
- Alexa and Google Assistant compatible
- NDIS Assistive Technology approved

\$ 99.00

EX GST

WAS \$ 119.00

MTS16

Smart Switch Module with Energy Monitoring

- Works with one-way and two-way switches
- App control via Major Tech Hub
- Real-time energy monitoring
- Countdown and scheduling timers
- Compact behind-switch installation
- Overcharge and child lock protection
- Alexa and Google Assistant compatible
- NDIS Assistive Technology approved

MTS17

Smart Dimmer Module

- Compatible with bell press switches
- App-controlled smart dimming
- 1%-100% smooth dimming
- Advanced timer and scheduling functions
- Custom automation scenes
- Dual Wi-Fi and Bluetooth connectivity
- Alexa and Google Assistant compatible
- NDIS Assistive Technology approved

MTD2

24 Hour Analogue Timer

- Switching Capacity of 16A (resistive) / 4A (inductive) at 230V AC.
- Program Settings with 96 programmable pins, providing a minimum switching time of 15 minutes for daily settings.
- Manual Override offers two modes—automatic functioning for preset schedules or permanent manual connection.
- Power Reserve of 100 hours (battery backup) ensuring continuous operation even during power outages.
- Operating Accuracy of ± 1 second per day at 22°C.
- Energy-efficient with a low power consumption of 0.5W.
- Protection Category: IP20 for safe operation under proper installation conditions.
- NDIS Category/Support Type: Assistive Technology
